Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(c), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(c) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10-13-09 has been entered.

Claims 1-10, 12, 18 and 24 have been cancelled as indicated in the "REMARKS".

Claims 11, 13-17, 19-23 and 25-28 are pending.

Allowable Subject Matter

Applicant's amendment of 10-23-09 and the 1.132 declaration have overcome the previous rejection of obviousness-type double patenting (ODP). The deletion of the word "prevention" has also overcome the previous rejection of 112/1st paragraph. Thus, said rejections are now withdrawn and pending claims 11, 13-17, 19-23 and 25-28 are allowed.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The invention is drawn to three species of quinazolin-2-one, and one species of quinazoline-2-thione; pharmaceutical composition thereof, and a method of treating various kinds of osteoporosis using said compounds. The copending application has claims are drawn to a genus quinazoline-2-one. However, the 1.132 declaration shows

the first species of the instant claim 12 (or claim 14) is 4 times more potent than the closest species (Ex. 80) of the copending application. Thus, the species claimed in this application are unobvious over those of the copending application, and therefore, there is no ODP.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to TAMTHOM N. TRUONG whose telephone number is (571)272-0676. The examiner can normally be reached on M, T and Th (9:00-5:30).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. James O. Wilson can be reached on 571-272-0661. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
